

Sand Lake Property Owners Association LAKE RULES AND REQUESTS

BOAT PATH: please drive in a counter-clockwise path to ensure the safety of all boaters and swimmers. No wake within 100 feet of docks/shorelines, before 10am or after sundown.

WE ARE A CATCH AND RELEASE LAKE:

Sand Lake promotes catch and release fishing, regardless of your catch size and season. We ask you release all fish except for carp back in the lake. We asked that you remove all carp and fertilize your gardens with them or simply throw them away. They make great natural fertilizer for your gardens.

FISHSTOCKING: Sand Lake Property Owners Association (SLPOA) has stocked fish many times which are funded by sand lake owners private and local business donations. We have stocked walleye, jumbo perch, smallmouth bass and channel catfish.

THESE EFFORTS COST US THOUSANDS OF DOLLARS!

If you fish these waters, and do not catch and release, we strongly encourage you to donate back to Sand Lake as you are taking valuable resources out of our lake and disturbing our fish habitat. We wish that fishing remains a good experience for all those who enjoy the sport.

PLEASE CONSIDER DONATING TO OUR EFFORTS BY EITHER METHOD LISTED BELOW

- 1) Write a check and send to SLPOA, C/O Jennine Andrews at: 37885 N Douglas Ln, Lake Villa IL 60046; or
- 2) Via Zelle to slpoavvil@gmail.com, Identity is SLPOA. Here is the QR code.

What is SLPOA?

SLPOA is the only organization whose sole purpose is the care of Sand Lake. Working with the Lake County Health Department's Lakes Management Unit, and Lake Villa Township officials and personnel, our efforts aim to improve the aquatic health of Sand Lake and provide recreational opportunities for all who enjoy Sand Lake. Our members include individual and business property owners, including residents around Sand Lake.

Let your neighbors know about SLPOA. Please take the time to explain what we do. All our new members and donors come from your efforts to explain why we need their support.
