Old Business

VVCA first Spring Craft Show was super successful with \$237 being raised for future village events.

Vendors were interested in having another show in the fall.

Had another very successful Easter event on March 30 not as many kids attended as last year, but our basket raffle was outstanding and raised \$409 for future events

Also raised \$115 towards memberships

Parking bumpers at the hall were painted to be more visible

Basketball backboard was installed

After some discussion with the plumber across the street, he moved his RV to keep it from sticking out into the road, but still parks his van at the hall. Jim Jorgensen will speak to him. Suggestion to place towing signs was made.

Kim Gobolewski suggested creating a welcome wagon for new move-ins

Concern was brought to attention about the garbage cans being left in the handicapped parking spaces. A "can corral" was suggested.
